FACES OF THE COAST

William Colgin/The Mississippi Press

Rose Skelton

Rose Skelton is one of the friendly faces who works the ticket counters at many of the Ocean Springs school districts sporting events as well as drives a school bus. Skelton has been living in Ocean Springs for the past 42 years and has raised seven children, all Ocean Springs graduates. She was born in London where she met her husband Glen Skelton. Skelton says one of the things she loves about working at the events is getting to meet people in the community.
